APPLICANT'S OBLIGATIONS

1. Applicant is responsible for coordinating the work with all public and private utilities which could be affected and protect all utilities from damage. Public utility companies must be contacted in order that they may visibly mark any underground services located in that area prior to any construction commencing.
2. Applicant is entirely responsible for costs associated with the restoration of anything disturbed within the road right-of-way.
3. Notification of the Township Clerk, Fire Department, Rescue Squad and Police of any roadway closure or blockage 48 hours in advance.
4. Notification to the Township Engineer 48 hours in advance of the start of work.

I hereby certify that I have received and read Chapter 303 (Streets Openings and Excavations) of the Township Ordinance and agree to follow all specified procedures and to perform all work in accordance with the requirements of the pertinent Township Ordinances.
